4:05PM – ARTICLE 12 - Chapter 90 Roads (*Sid Kashi/Melissa Arrighi*)

To see if the Town will vote to appropriate from available funds a sum of money as the State's share of the cost of work under G.L. c.90, §34(2)(a) of the Massachusetts General Laws, or take any other action relative thereto.

On a motion by Anthony Provenzano Jr and seconded by Shelagh Joyce, the Board approved moving Article 12 to the 2017 Annual Spring Town Meeting. *Voted 4/0*

4:07PM – ARTICLE 14 – Gravel Roads (*Sid Kashi/Melissa Arrighi*)

To see if the Town will vote to raise and appropriate, borrow, or otherwise fund \$1,000,000 in improvements to Gravel Public Roads and Gravel Unaccepted Roads, or take any other action relative thereto. (*The special act relative to spending funds on unaccepted roads was passed by the State Legislature and signed by the Governor on June 13, 2012*)

Melissa Arrighi, Town Manager, said that there were 150 miles of unaccepted roads in Plymouth and that this request has increased from previous years to ½ million dollars.

Anthony Provenzano Jr, Vice Chairman, said that this is regarding accepted and unaccepted gravel roads in lieu of just unaccepted roads. He went on to say that we need to spend this money to keep our roads current.

John Mahoney, Selectman, said that he's meeting with Lynne Barrett, Director of Finance, to come up with a long term solution. Selectman Mahoney then asked if these funds will be spread out over time to pay it back.

Selectman Provenzano said that this money won't be borrowed and that it is being requested from free cash to be used up as needed.

On a motion by Anthony Provenzano Jr and seconded by Shelagh Joyce, the Board approved moving Article 14 to the 2017 Annual Spring Town Meeting. *Voted 4/0*

4:12PM – STM ARTICLES 1 – Amend Personnel By-Law (*Melissa Arrighi*)

STM ARTICLES 9 – Rescind Strong Fire Chief (*Melissa Arrighi*)

STM ARTICLES 10 – Rescind Strong Police Chief (*Melissa Arrighi*)

STM ARTICLES 11 – Rescind Civil Service [Fire] (*Melissa Arrighi*)

Ken Tavares, Chairman, read an email into the records from James Brown that he received this afternoon prior to the meeting asking the Board to postpone their vote.

Melissa Arrighi, Town Manager, said that these Article raised eyebrows last year but they feel strongly that this is in the best interest of the Chiefs and the Town of Plymouth. She went on to say they want to rescind Civil Service only at the executive, non-union level, and added that there will be challenges because Civil Service provides some protection specifically in terms of discipline. Ms. Arrighi then went over some of the wording and reasons why they propose removing Strong Chiefs.

Ed Bradley, Plymouth Fire Chief, came up to the podium to give the Board some examples of why he is supporting the removal of Civil Service. Chief Bradley described the testing process and how it's difficult to get the minimum applications needed to administer the test. He went on to say that because of age requirements he has to retire soon and there isn't enough time to put together a Civil Service Test to find his potential replacement. Chief Bradley described the situation as being in limbo, or being in a relay race with no one to pass the baton off to.

Selectman Mahoney asked what the reasoning is for removing Strong Chiefs, to which Chief Bradley said a lot of the language dates back to the early 1900's and does not apply any longer. He said it's natural to be afraid of the unknown, and opponents feel that this is a power grab by the Town Manager but it isn't, it will just make it easier to fill open positions. Chief Bradley went on to say the majority of Massachusetts Communities do not have Civil Service in place.

Shelagh Joyce, Selectman, asked Chairman Tavares when the email from James Brown was received, to which he said at 3:03pm this afternoon.

Selectman Joyce voiced her frustration that they received this information about a month ago and sent an email an hour prior to the meeting requesting us to postpone our vote.

Selectman Mahoney said he was willing to give them a week or two to come up with their comments to present to the Board.

Selectman Joyce felt that their comments wouldn't change from six months ago and that she finds it frustrating that firefighters that work 8 days per month are requesting a postponement an hour before our meeting. She also expressed disappointment that Selectman Sean Page hasn't been to a meeting in three weeks so she thinks we should vote tonight.

Chairman Tavares asked that the Board vote on STM Article 1 before moving on to the other three Articles for Civil Service.

On a motion by Shelagh Joyce and seconded by Anthony Provenzano Jr, the Board approved moving STM Article 1 to the 2017 Annual Spring Town Meeting. *Voted 4/0*

On a motion by John Mahoney and seconded by Anthony Provenzano Jr, the Board approved tabling STM Articles 9, 10 and 11 until February 14, 2017. *Voted 4/0*
